Villa in the Urb. Bello Horizonte. Very close to the towns of La Nucía, Alfaz del Pí and Altea. Although the house is listed as an all on one floor, it does possess a cellar area that is, in fact, an unused and multipurpose space that could easily be made into an office, gym, library, et cetera. The main house is endowed with ample, sunny and immaculate rooms, being its prime feature a ... (Ask for More Details!)
