Beauty most precious, paradise turned reality. From the ether of dreams and desires unto the physical realm. Yes, this house can be seen, felt, admired and loved, and it must be. Within the famous ArabÃ- area, close to both Alfaz and Albir. But the location, while important, must be left aside. This house is unique. What does it have? Ha, easier it would be to say, what does it NOT have?...(Ask for More Details!)
